

Has your company gone global?

As the world continues to shrink, companies and individuals are taking advantage of opportunities abroad. For the conscientious Human Resources professional this should raise an important question, will domestic medical coverage hold up overseas?

Perhaps it's time to embrace a new line of products specifically designed for multi-national companies, expatriates and travelers.

InsuranceToGo is a unique Insurance Agency specializing in **international employee benefits**.

As specialists, we can help you define and solve your company's global insurance needs. We offer you impartial advice, solutions from every major carrier and ongoing service and support.
